HN2N HELPING OUR NEIGHBORS GET TO KNOW FISHER HOUSE

HN2N is letting Harleston Village neighbors know about Fisher House, 150 Wentworth Street. A huge family-style Open House sponsored by the Charleston Riverdogs is planned for Thursday, June 14, and HN2N is involved. Everyone in the neighborhood is invited for fun, food, games. Even Charley, the Riverdogs' mascot will be there. Operated by the VA, Fisher House provides lodging for veterans and their families while vets are under treatment at the nearby VA hospital. HN2N is also gathering donated snacks for Fisher House guests. For more information contact Faye Griffin at 843-577-2901 or stgffg@frontier.com.

SECOND WEDNESDAY NEIGHBORHOOD HAPPY HOURS CONTINUE

Thanks to generous support of the management team at Sixty Bull Cafe, HN2N is continuing to sponsor the popular Second Wednesday Neighborhood Happy Hours starting at 5:00 p.m. The objective has always been to get neighbors together to get to know each other and to celebrate our friendly neighborhood where people can age in place. There's no program. It's a warm friendly social gathering where neighbors can meet, sometimes for the first time. For more information contact John Milkereit at 843-722-1185 or johnmilkereit@me.com.
