HN2N AMONG 41 ORGANIZATIONS AWARDED GRACE TEA ROOM GRANT

Harleston Neighbor2Neighbor, along with 40 other community organizations, was awarded a Grace Church Tea Room grant. The \$1000 grant helps fund HN2N educational seminars, events, and outreach to guide neighbors seeking information on aging in place. Center left, back row, is John Milkereit, HN2N president, who accepted our grant.

Program Committee Survey Shows Interest in More Social Activities

The Program Committee is compiling results of a survey conducted last month to identify ideas for new activities that would be of interest to neighbors. We had a response rate of over 40%. We were pleased to see that several neighbors also took the opportunity to express appreciation for our current efforts. Preliminary survey findings include a strong interest in additional social activities like luncheon meet-ups and wine tastings, and organizing small groups to do walking tours and attend local cultural and arts events. About a half-dozen neighbors also offered to host small events in their homes. Based on the feedback, the Program Committee and the Board will be putting together a calendar for next year.

2nd WEDNESDAY NEIGHBORHOOD HAPPY HOUR—Dec. 12
Sixty Bull Street Cafe, 5:00-6:30 p.m.
